To Whom It May Concern:

Our Church suffered a major fire September 28, 2004. Along with major damage to two offices there was smoke damage through out the entire building.

Wednesday morning 29th before clean up could begin, Mr. Gary Timmons of GTIMMONS CONSULTING GROUP, INC. came and offered his assistance in guiding us with the fire loss. Over the next several weeks he offered us his expertise in dealing with the insurance adjuster. Between him and his associates we were able to get a proper settlement.

I would not hesitate to recommend him and his company because they are good insurance property claims specialist. There was never a time when I ever felt they didn't have our best interest in mind.

Feel free to call me at 817-274-3721 should you need a reference.

In His Name,

Carl G. Willis  
Pastor
